Subject: pre-2017 IJ candidates
Date: Monday, April 09, 2018 8:29:06 AM
Attachments: [IJHiring_20180403.xlsx](#)

James – last week you asked for an update on every pre-2017 IJ candidate still somewhere in the hiring process. Below, please find those that are still on the IJ hiring tracker, as well as those that need to be added, with their status. As you will see, some need to come off the tracker, either because they have entered on duty or because they have no further action. Likewise, some need to be added. We do not yet have the later steps of the tracker built, so the appropriate status “buckets” for these folks do not yet exist on the tracker. I expect that Katherine and I will see a new demo of the next stage of the tracker this week, hopefully the later steps are built. Once that happens, we will work quickly to get everyone into their appropriate stages.

In the event that it is helpful, I am also attaching an excel document that OIT helped me with last week – it has current status (as of April 3) of all the IJ candidates that were in the tracker.

Subject: My IJ tracker
Date: Tuesday, May 22, 2018 5:00:14 PM
Attachments: [IJHiring_status.short.xlsx](#)

All – here is my current tracker of IJs in process. I haven't taken off the ones that just EOD'd because I want to remember to update the database once it's fully running. You can ignore the colors, they are basically to help me keep straight some categories of people and to serve as a reminder of who has the ball or what step we are on.

I thought this might be useful for different reasons – MaryBeth and Chris need to plan for EODs and training, Lisa and Deborah are trying to work on a courtroom occupancy chart, this lists locations and estimated EOD (confirmed EODs are in purple in the status column).

I can't reiterate enough how much of a best case scenario estimate this is for getting people on board. In the incredibly unlikely event that everything goes smoothly, this predicts:

Definite EOD's for July – (b)(5) DP

Possible additional EOD's for July – (b)(5) DP

Definite EOD's for September – (b)(5) DP

Possible additional EOD's for September – (b)(5) DP

Do not promise these numbers to anyone – I would definitely under promise and over deliver if you are asked to provide projections. I just wanted you to be aware of what the maximum potential magnitude could be.

I think I have run out of caveats for the moment, so I'll just say if you have any questions, please let me know.

to permanently appoint Vance H. Spath as an immigration judge.

TIMETABLE:

At the Attorney General's earliest convenience.

DISCUSSION:

On September 23, 2016, then Attorney General Loretta E. Lynch tentatively selected Vance H. Spath to serve as an immigration judge. On March 20, 2017, Attorney General Session signed an order temporarily appointing Mr. Spath as an immigration judge position, not to exceed 14 months, pending a background investigation.¹ Mr. Spath's background investigation has now been completed and adjudicated, and there is no derogatory information that would preclude him from being permanently appointed to this position.

¹ The signed/approved Temporary Appointment memo/order (see WF 3796084) stated, By the authority vested in me as the Attorney General by 8 U.S.C. § 1103(g)(1), I hereby appoint Vance H. Spath as an Immigration Judge, defined in 8 U.S.C. § 1101(b)(4), for a period not to exceed 14 months. This order shall be effective on the first day of the pay period in which the oath of office is taken. Subsequent to that memo, however, Mr. Spath did not enter on duty due to a lengthy military commitment to which he was assigned while waiting for his Executive Office for Immigration Review paperwork. The military commitment will be complete this month and, now that the background investigation is complete, we recommend Mr. Spath enter on duty with a permanent appointment.

Subject: Permanent Appointment of Vance H. Spath as an Immigration Judge

Mr. Spath is an excellent candidate for an immigration judge position. Mr. Spath has significant experience presiding over trials, and is, to quote one of his interviewers, "a seasoned advocate in complex areas of law" and a "seasoned judge who has a plethora of judicial experience." Although Mr. Spath does not have significant immigration experience, he has presided over cases involving many complex issues, including areas of international law and procedure, highly sensitive and emotional issues such as proceedings involving sexual assault or violent crimes, as well as complex Fourth and Fifth Amendment Constitutional cases.

Mr. Spath is a chief trial judge with the United States Air Force, Joint Base Andrews, Maryland. Mr. Spath has served in this position since April 2014. While chief trial judge, Mr. Spath was responsible for the operation of the Air Force Trial Judiciary, including its 26 trial judges. He served as the Air Force's senior jurist for tribunals and criminal trials worldwide, and was vested with independent authority to issue final, binding decisions on criminal, evidentiary, and procedural issues. Mr. Spath managed an annual criminal court docket of more than 500 federal criminal trials, and presided over more than 30 felony federal criminal trials each year, to include capital litigation.

Prior to serving as the chief trial judge, Mr. Spath served as director of training and readiness from July 2013 to April 2014, and from July 2012 to July 2013, he served as staff judge advocate. Mr. Spath has served in the United States Air Force since 1993 and has held a variety of other positions. He served as a chief regional military judge in the Pacific Judicial Region, Kadena Air Base, Japan, from July 2010 to July 2012, a regional military judge in the Western Judicial Region, Travis Air Force Base, California, from July 2009 to July 2010, a staff judge advocate, F.E. Warren Air Force Base, Wyoming, from July 2006 to July 2009, a chief circuit trial counsel in the Eastern Judicial Region, Bolling Air Force Base, Washington, D.C. from July 2004 to July 2006, a deputy staff judge advocate and prosecutor, Shriever Air Force Base, Colorado, from July 2001 to July 2004, a contract trial attorney, Wright-Patterson Air Force Base, Ohio, from July 1998 to July 2000, a circuit trial counsel/prosecutor, in the Central Judicial Region, Randolph Air Force Base, Texas, from July 1995 to July 1998, and an area defense counsel, Ramstein Air Force Base, Germany, from April 1994 to July 1995.

Subject: Permanent Appointment of Vance H. Spath as an Immigration Judge

Mr. Spath holds a Bachelor of Arts degree from Virginia Wesleyan College, Norfolk, Virginia, and a J.D. from Quinnipiac University, Hamden, Connecticut.

Until one year from the date of his entry on duty. Mr. Spath will be subject to removal from his newly-appointed position, without regard to many of the procedural requirements and appeal procedures specified in 5 U.S.C. Chapters 43 and 75 and 5 C.F.R. Parts 432 and 752, if he has performance problems or engages in misconduct.

Mr. Spath's selection for this immigration judge position was made in accordance with the immigration judge hiring procedures approved on April 2, 2007.

An Attorney General Order, permanently appointing Mr. Vance H. Spath as an immigration judge, is attached hereto for signature.

RECOMMENDATION: That the Attorney General sign the attached order.

Hi Vicki,

Sorry, I was on the phone with Mr. Spath. I will give you a call. I'm not sure where that date came from. I have been dealing with OARM since we were told Mr. Spath was ready to EOD and OARM said they needed the documents before he could EOD since it's been over a year since the last documents were provided and he never EOD.

Thanks.

Mr. Spath has recently received some updates military orders and it sounds likely that he won't be able to EOD until September, so we do have some time to address this.

We have confirmed that he will be able to EOD on 9/2.

His departure date is after that, but that's ok. His official end of service date is 11/1/2018, but he will go on what they call "terminal leave" in time to EOD on Sep 2. Also, apparently all of the powers that be that need to consent to him leaving have apparently done so, and he feels confident that 9/2 is not an issue.

All – I accidentally left off Patrick McKenna. Make it a definite 22 for next week. Below email is corrected.

Subject: Another IJ EOD for July

We just got another new EOD for Sunday! This brings us to 22 IJs coming next week.

Stuart Douglas Alcorn (Pearsall) EOD 7/8/2018

I'm still hoping that we're going to get Jonathan Owens (Cleveland) signed off, but that hasn't happened just yet.

Here's where I am with IJ EOD's, below. You'll notice we've also added Steven Fuller, who will be coming in September, and we expect to have an EOD date before the end of the day for Grady Crooks (just haven't caught him on the phone yet).

OCIJ will still get the normal notices of new EOD from HR, but given the fact that I expect there will be some coordinating and Mr. Alcorn will EOD this weekend, I wanted to let you know asap.
